Airman First Class Mitchell Brown grew up around the sport of wrestling. With a father as a coach and older brother who used him as a throwing dummy, he was constantly pushed to become better. This pushing led him to success as a young athlete. In high school, he was a multiple time state champion in Freestyle, Folkstyle, and Greco-Roman, as well as a 3x All-American in Greco. After high school he competed for the Air Force Academy for one year, becoming a national runner up in Greco. He then left the Academy to serve God on a two year mission trip to Germany. Upon returning home from his mission A1C Brown attended Utah Valley University and competed as a starter in the Big XII conference for two years. In 2021, A1C Brown joined the Air Force and in 2022 he was picked up for the All-Air Force wrestling camp to train for the U.S. Open. He placed fourth at the open which qualified him for the World Team trials.

“A gold medal at the Olympics has been a dream of mine since I was 10 years old. I’m humbled and grateful for the opportunity represent the Air Force while pursuing a lifelong goal to become the best in the world.”
